

2010 ADA CHECKLIST

for Readily Achievable Barrier Removal

<http://www.adachecklist.org/checklist.html>

This home page gives you an **ADA Audit Checklist** based on the ADA As Amended (ADAAA) in 2008 (and implemented in 2010). They have also split up the full checklist into separate checklists for each of the four priorities. This should make it easier for surveyors to make copies of just the sections they need.

- **Priority 1: Approach & Entrance**
- **Priority 2: Access to Goods & Services**
- **Priority 3: Toilet Rooms**
- **Priority 4: Additional Access - Drinking Fountains, Public Telephones & Fire Alarms**

In addition to the checklists above, there are specialized links on this page for Recreational Checklists:

- **Amusement Rides**
- **Fishing Facilities**
- **Golf Facilities**
- **Miniature Golf Facilities**
- **Recreational Boating Facilities**
- **Swimming Pools, Wading Pools & Spas**
- **Play Areas**
- **Areas of Sports Activities, Team or Player Seating, Exercise Machines & Equipment, Bowling Lanes, Saunas & Steam Rooms, and Shooting Facilities**
